

No External Symptoms.

The blood may be in bad condition yet with no external signs, no skin eruptions or sores to indicate it. The symptoms in such cases being a variable appetite, poor digestion, an indiscreet weakness and nervousness, loss of flesh and a general run-down condition of the system—clearly showing the blood has lost its nutritive qualities, has become thin and watery. It is in just such cases that S. S. S. has done some of its quickest and most effective work by building up the blood and supplying the elements lacking to make it strong and vigorous.

"My wife used several bottles of S. S. S. as a blood purifier and to tone up a weak and emaciated system, with very marked effect by way of improvement. "We regard it a great tonic and blood purifier."—J. P. DURE, Princeton, Mo.

SSS is the greatest of all tonics, and you will find the appetite improved once strength returns, and nervousness vanishes as new rich pure blood once more circulates through all parts of the system.

S. S. S. is the only purely vegetable blood purifier known. It contains no minerals whatever. Send for our free book on blood and skin diseases and write our physicians for any information or advice wanted. No charge for medical advice.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

The steady growth of Pendleton is marked at the present by the building of 49 residences and several large business and public buildings. Not since the fall of 1899, which was the greatest in the growth of the city, has Pendleton experienced such rapid development. Very little is said about it, but the sound of the hammer is ever heard, and just now many more carpenters could be used to good advantage if they were obtainable. Painters, paper hangers and furniture dealers are also busy, and many delays in occupying houses are caused by lack of labor. During the year it is estimated that between 125 and 150 buildings will be erected, including small cottages, handsome residences and business buildings.—Pendleton Tribune.

Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy, and after giving it a trial if she did not find it worth money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." For sale by Conser & Ayers.
